

For Attendees to use Amazon Chime

****Note:** The information provided is for the Rochester Connection Support Group. The process will be the same but the phone number and web link will be different for other online groups-check your specific group for information**

Calling in via phone

Dial: *67-1-267-866-0999

Adding *67 to the beginning will have your phone number show up as anonymous.

Meeting ID pin: 3549 57 8488#

- *7 to mute and unmute yourself.
- If you are muted by the moderator, they cannot unmute you. You will need to enter *7 to be unmuted.

Web link

Notes

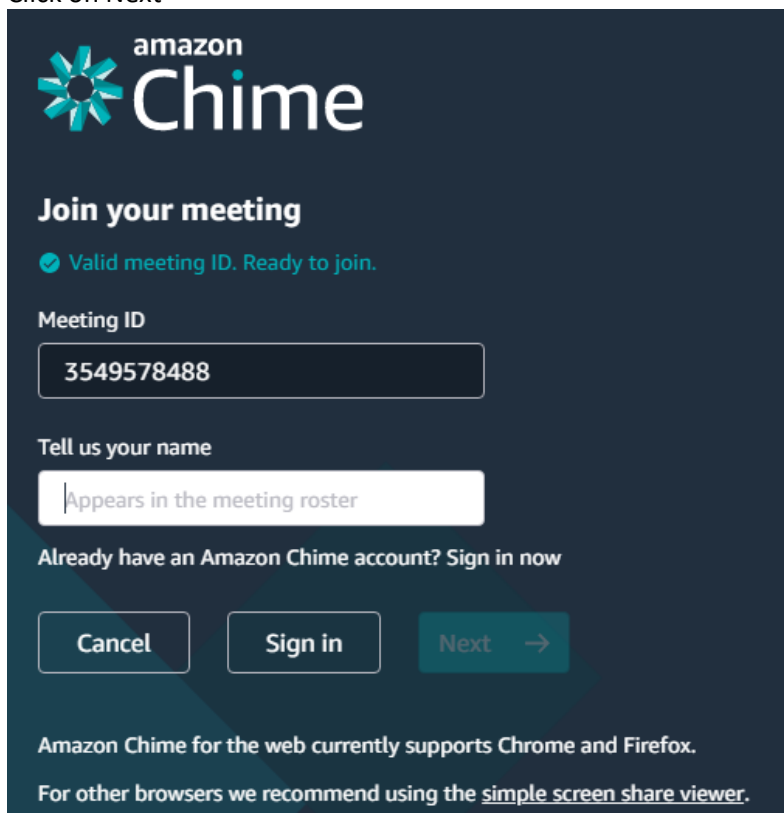

- Amazon Chime for the web currently supports Chrome and Firefox.
- You do not need to add video if you do not want to.
- Mute microphone if you are not talking. This will help minimize feedback and echo noise.
- If you are muted by the moderator, they cannot unmute you. You will need to click the unmute button.

Process

Click on link <https://chime.aws/3549578488>

Amazon Chime for the web currently supports Chrome and Firefox.
For other browsers we recommend using the [simple screen share viewer](#).

Choose which audio option you want to use: 1. Use my computer's mic and speakers or 2. I will dial in manually and enter the meeting ID.

If you choose computer's mic and speakers it takes you into the meeting.

If you Dial in it will give you the dial in number and meeting ID.
Dial *67 before the phone number to show up as anonymous. (otherwise your phone number will show.
Once you click on done it will go to the meeting screen.

Dial in manually and enter the meeting ID
